

Transfer Agreement

South College and Pellissippi State Community College

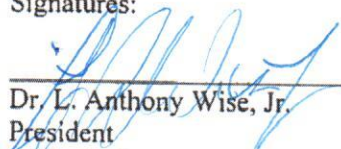

South College and Pellissippi State Community College hereby enter into a partnership that promotes student transfer and program articulation. The partnership facilitates the transfer of associate degree course credit to program requirements for South College undergraduate programs.

The intent of the agreement is to encourage Pellissippi State students to complete the Associate of Science (A.S.) degree prior to transfer to South College. Pellissippi State students who successfully complete the A.S. degree will have all Pellissippi State credits accepted for transfer without evaluation on a course-by-course basis (See Transfer Checklist associated with each program). This does not guarantee admission to any South College program. All other academic and program requirements for the major degree and college (such as the college admission requirements, grade point average, technical standards, interviews, drug/background screenings, observation hours, additional courses, etc.) must be satisfied. Students in any articulated program will not be expected to meet any additional (or fewer) requirements than non-transfer South College students.

1. Pellissippi State will signify on the student's transcript that the A.S. degree was completed. South College will, when evaluating the student's transcript, honor the terms of the agreement for admission to South College.
2. Prior to completing the A.S. degree, students should have access to advising from Pellissippi State and/or South College on the program of study leading to completion of the A.S. degree and the requirements of the program of study at South College.
4. Students must meet all other graduation requirements of South College including the general, major, and professional education requirements. This includes minimum credit hours, institutional/departmental grade and grade point average requirements, and upper division credit and grade point average requirements, as stipulated in the South College Catalog.
5. For participating students, the transfer agreement is effective for six years from the original entry into college level work at Pellissippi State. If more than six years elapse from the student's initial date of participation under the agreement, the transfer agreement in place at the time of transfer to South College will determine the student's progress toward degree completion.

6. For students not completing an associate degree, South College will evaluate transcripts on a course- by-course basis.

* These courses must be completed with a grade of C or higher to be accepted as transfer courses.

**These courses MUST be taken at South College.

¹HUM Chosen from ARTH 2010, 2020; ENGL 2110, 2120, 2210, 2220, 2310, 2320, 2331, 2510, 2520, 2530, 2810; MUS 1030; PHIL 1030, 1300, 1500, 2010, 2400; PHO 1200; THEA 1030.

²ENGL Chosen from ENGL 2110, 2120, 2210, 2220, 2310, 2320, 2331, 2510, 2520, 2530.

³ HIST Chosen from HIST 1010, 1020, 1110, 1120, 2010, or 2020. Students planning to transfer to out-of-state or private universities must check requirements and complete the appropriate courses

Completion of these courses does not guarantee admission into the South College School of Nursing. An application for general admission to South College and an application for admission into the South College School of Nursing must be submitted and the students must meet additional criteria. It is important that students contact the South College Admissions Department (865-251-1800) regarding general admission. Students should contact the School of Nursing (865-288-8411) to determine application deadlines and other admissions criteria. See the South College Catalog or website (www.southcollegetn.edu) for additional information.

Note that course requirements may change. It is the student's responsibility to check with South College to ensure all courses will transfer. This list of courses is not intended to replace your academic advisor. See your advisor for assistance in planning your coursework.
